

AQ Cat X HB

Luxury, Innovation & Freedom on the Water

Step aboard a catamaran that blends modern design, comfort, and cutting-edge technology. Whether powered by solar energy, electric propulsion, or traditional outboard motors, this versatile vessel is built for a seamless and sustainable cruising experience.

Why Choose Our Catamaran?

- ✓ *Hybrid Power Options - Choose between electric, solar, or conventional motors for the ultimate flexibility.*
- ✓ *Spacious & Elegant - Expansive decks, stylish interiors, and panoramic windows for breathtaking views.*
- ✓ *Unmatched Stability - Advanced hydrodynamic hulls ensure smooth, fuel-efficient navigation.*
- ✓ *Multi-Purpose Design - Perfect for private getaways, floating hotels, waterfront dining, or eco-tourism ventures.*
- ✓ *Self-Sufficient Living - Designed for comfort, with modern amenities for both short trips and extended stays.*

Sail smarter, live better, and experience true freedom on the water. Get in touch today to make this catamaran yours!
