

AQ CAT X OPEN

A New Era of Boating: Style, Comfort & Versatility

Unleash the freedom of the open water with a catamaran that offers luxury, innovation, and efficiency. Whether you prefer the quiet sustainability of solar and electric power or the reliability of traditional engines, this vessel adapts to your lifestyle.

Why This Catamaran?

- ✓ *Hybrid Power Options - Solar panels, electric propulsion, or conventional motors – your choice.*
- ✓ *Sleek & Spacious Design - Modern, open-concept layout with premium finishes and panoramic views.*
- ✓ *Efficient & Stable - Advanced catamaran hulls provide smooth sailing and optimal fuel efficiency.*
- ✓ *Multi-Use Luxury - Ideal for leisure, entertaining, eco-tourism, or exclusive charter services.*
- ✓ *All-Weather Comfort - Covered lounging areas and smart space utilization for year-round enjoyment.*

Redefine your time on the water with a vessel that blends sustainability, elegance, and adventure.
